

IN THE UNITED STATES COURT FOR THE DISTRICT OF UTAH
CENTRAL DIVISION

<p>UNITED STATES OF AMERICA,</p> <p>Plaintiff,</p> <p>vs.</p> <p>MICHAEL LAMBOURNE,</p> <p>Defendant.</p>	<p>MEMORANDUM DECISION AND ORDER GRANTING PLAINTIFF’S MOTION FOR EARLY TERMINATION OF SUPERVISED RELEASE</p> <p>Case No. 2:99-CR-553 TS</p>
---	---

This matter is before the Court on the government’s Motion for Early Termination of Supervised Release. The government moves to reduce Defendant Michael Lambourne’s remaining term of supervision by one year based on his successful completion of and graduation from the RISE Drug Court Program.

18 U.S.C. § 3583(e) permits the Court to terminate supervised release at any time after a defendant has completed at least one year of supervised release, but prior to completion of the entire term, if the Court is satisfied that such action is (1) warranted by the conduct of an

offender and (2) is in the interest of justice. In making this determination, the Court is directed to consider the factors set forth in 18 U.S.C. § 3553(a), to the extent they are applicable.

Considering these factors, and in light of Mr. Lambourne's successful completion of the RISE Drug Court Program, the Court finds that a reduction of one year of Mr. Lambourne's term of supervised release is both warranted by his conduct and is in the interests of justice.

Therefore, for the reasons stated by the Court at the August 14, 2012 hearing, it is hereby

ORDERED that the government's Motion for Early Termination of Supervised Release (Docket No. 260) is GRANTED.

Defendant Michael Lambourne's term of supervised release is hereby reduced by one year.

DATED August 15, 2012.

BY THE COURT:

TED STEWART
United States District Judge
